## It's Getting Better with Biden

December 17, 2021

### Protecting Families by Replacing All Lead Pipes and Removing Lead Paint

Vice President Harris announced the Administration's Lead Pipe and Paint Action Plan that will use funding from the Infrastructure Investment and Jobs Act and other resources to deliver clean drinking water, replace all lead pipes, and remediate lead paint across the country.

### Unemployment Claims Drop to 2 Million

When President Biden took office, over 18 million were receiving unemployment benefits. Today only 2 million are. The average number of Americans filing for unemployment over the last four weeks is now at its lowest level since 1969.

### Ensuring the Future is Electric

President Biden and Vice President Harris announced a plan to use \$7.5 billion in funding from the Infrastructure Investment and Jobs Act to build electric vehicle charging infrastructure across America.

### Affordable, Comprehensive Health Care Plans for Americans

Health care is more affordable than ever. Thanks to the American Rescue Plan Act, 95% of consumers in HealthCare.gov states are receiving tax credits to lower the cost of their monthly health care premium.
