It's Getting Better with Biden

February 11, 2022

Over 375,000 Manufacturing Jobs Created

Over 375,000 manufacturing jobs have been created since President Biden took office. Almost every single state in the country has added manufacturing jobs during this time. By comparison, the economy added just 2,000 manufacturing jobs in 2019.

Funding for Public Electric Vehicle Charging Stations Across America

The Biden Administration announced nearly **\$5 billion to build public electric vehicle charging stations across our nation over five years.** This major investment comes from the Infrastructure Investment and Jobs Act and is an important step towards making electric vehicle charging accessible to all Americans.

Historic Job Creation

2021 was the greatest year of job creation under any president in history. Since President Biden took office, over 6.6 million jobs have been created.
