## It's Getting Better with Biden

May 20, 2022

### Increasing Baby Formula Supply

President Biden invoked the Defense Production Act to make sure that U.S. manufacturers have the necessary ingredients to make safe, healthy baby formula here at home. The administration also launched Operation Fly Formula to speed up the import of baby formula to make sure there's enough safe formula for the families that need it. The Senate and House swiftly passed the bipartisan Access to Baby Formula Act to address the baby formula shortage for families who rely on WIC.

### Building a Better America Six Months into Infrastructure Implementation

Six months after the historic Infrastructure law was signed by President Biden, it is already changing the lives of millions of Americans. **Over \$110 billion in funding has been announced to rebuild our crumbling roads and bridges, replace lead pipes, expand high-speed internet and more.**

### Free At-Home COVID-19 Tests

**The Biden Administration is making more free COVID-19 tests available.** This week, the administration announced that households are able to order an additional eight free at-home COVID-19 tests at [COVIDTESTS.gov](https://www.covidtests.gov).

### Making Housing More Affordable

President Biden released a Housing Supply Action Plan that will create hundreds of thousands of affordable housing units in the next three years. **This will help make rent more affordable and homeownership more attainable for Americans in every community.**
