It's Getting Better with Biden

June 10, 2022

390,000 Jobs Added in May

In May, the U.S. added 390,000 jobs. **Since President Biden took office, over 8.7 million jobs have been created.**

Funding to Ensure Every American Has Access to High-Speed, Affordable Internet

Thanks to the American Rescue Plan, more than **\$25 billion has been announced to help provide high-speed, affordable internet to every American. This is in addition to the \$65 billion investment from the Infrastructure law.** These investments will ensure that families, small businesses, and students have access to high-speed, reliable internet.

Investments in Clean Energy Manufacturing

This week, President Biden took bold executive action to support clean energy domestic manufacturing and good-paying jobs which will help cut energy costs for families, strengthen our grid, and tackle the climate crisis.
